#### 103D CONGRESS 1ST SESSION

# H. R. 2257

To direct the heads of Federal agencies to provide local resident hiring preferences in carrying out construction projects.

### IN THE HOUSE OF REPRESENTATIVES

May 25, 1993

Mr. Poshard introduced the following bill; which was referred to the Committee on Government Operations

## A BILL

To direct the heads of Federal agencies to provide local resident hiring preferences in carrying out construction projects.

- 1 Be it enacted by the Senate and House of Representa-
- 2 tives of the United States of America in Congress assembled,
- 3 SECTION 1. LOCAL HIRING PREFERENCE.
- 4 (a) INCLUSION IN CONTRACTS.—The head of each
- 5 Federal agency shall include in each contract entered into
- 6 for carrying out a construction project a provision requir-
- 7 ing the contractor to ensure that preference in hiring for
- 8 work under the contract is given to qualified persons who
- 9 regularly reside in the area where the project is situated;
- 10 except—

- 1 (1) to the extent that qualified persons regularly residing in the area are not available;
- (2) for the reasonable needs of the contractor
  or subcontractor to employ supervisory or specially
  experienced individuals necessary to assure execution
  of the contract; or
- 7 (3) for the obligation of the contractor or subcontractor to offer employment to present or former 8 9 employees as the result of a lawful collective bargaining agreement if the number of such employees 10 11 does not exceed 20 percent of the total number of 12 employees employed by the contractor or subcontractor for purposes of carrying out work under the 13 14 contract.
- (b) IDENTIFICATION OF AREA; RESIDENCY GUIDE-16 LINES.—For purposes of subsection (a), the Secretary of 17 Labor shall identify the geographic boundaries of each 18 area to which a preference applies and shall establish resi-19 dency requirements or other guidelines for qualifying as 20 a person who regularly resides in the area.
- (c) LIST OF AVAILABLE POSITIONS.—Each contractor subject to subsection (a) shall be responsible for furnishing a list of all positions for which the contractor or a subcontractor may require laborers, mechanics, or other employees under the contract to the United States Em-

- 1 ployment Service office in the area in which the water re-
- 2 sources project is located. The contractor shall furnish the
- 3 list to the appropriate office prior to initiating work under
- 4 the contract and shall inform that office of any revisions
- 5 to the list in a timely manner.

#### (d) Contractor Reports.—

- (1) Dates of Submission.—Each contractor subject to subsection (a) shall submit calendar year quarterly reports to the contracting officer of the concerned Federal agency by the 10th of the month following the end of each quarter of the calendar year.
- (2) Contents.—The reports shall state the total number of employees employed by the contractor or subcontractor for carrying out work under the contract and shall state the number of employees who regularly reside within commuting distance of the site of the work. If the number of nonresident employees employed by the contractor or any subcontractor exceeds 20 percent of the total number of employees employed by the contractor or subcontractor, the contractor shall include a statement in the report indicating what steps the contractor has taken or plans to take to increase the number of resident employees.

- 1 (e) APPLICABILITY.—This section shall apply to all 2 construction projects authorized before, on, or after the 3 date of the enactment of this Act and all contracts entered 4 into to carry out such a project on or after such date of 5 enactment.
- 6 (f) DEFINITIONS.—For purposes of this Act, the following definitions apply:
  - (1) Construction project.—The term "construction project" means any project carried out by a Federal agency in whole or in part with funds appropriated from the Treasury of the United States which involves construction (including reconstruction, rehabilitation, or restoration) of any building or facility and includes any water resources project and any project for construction of a public building.
    - (2) FEDERAL AGENCY.—The term "Federal agency" has the meaning the term "executive agency" has under section 105 of title 5, United States Code.
